

Mexican Liability Boat Insurance or Yacht Insurance Coverage

Remember to purchase Mexican Liability Boat Insurance or Yacht Insurance for your vessel covering you before entering Mexico. While the passage of NAFTA may have eased up on tariffs for U.S. manufactured products, the Mexican government still requires that liability boat insurance or yacht insurance coverage be purchased through a Mexican domiciled insurance company.

The easiest way to accomplish this is to click on our "Yacht Quote Now" button on our home page which is linked to purchase Mexican liability boat insurance or yacht insurance coverage. The policy can be quoted, paid for with a credit card, issued, and printed at your printer within minutes. Annual premium start at around \$250.00.
