

## Racing Sailboat

Announcing a new racing sailboat program for yachts from 30' to 80' in length and with hull values of \$100,000 to \$2,000,000. This program offers very flexible and expandable navigational limits, overland trucking , paid crew liability coverage and coverage for spars and rigging while racing. Mariners General Insurance Group has been serving boaters since 1959, and insures many of the grand prix racing sailboats in the country. Give us a call and see how Mariners can provide you with the right coverage for your boat at the right price.
